Re: We need your help

Salmon need our help, we need yours.

The Powell River Salmon Society (PRSS) is a charitable organization that works in the restoration and protection of Pacific Salmon stocks, relying on help from volunteers. This effort supports community sustainability, educational opportunities, and West Coast identity.

Our salmon conservation and enhancement efforts involve more than 10 000 volunteer hours annually. We are currently engaging the public in our annual fundraising effort to help us complete our objectives for the upcoming 2020 salmon life cycle.

Please consider donating to our Salmon Preservation Fund to assure we can meet our objectives. A donation of \$30 or more is tax deductible.

To learn more about the PRSS, our history, our work and plans, please visit our website at www.prsalmon.org or contact us directly at prsalmon@telus.net

We hope that you will consider supporting the future of Salmon in Powell River. Donations can be made by chq, PayPal on our website, or directly at our local Powell River First Credit Union.

A handwritten signature in black ink that reads "Ed Oldfield".
